Star Toe for the Rose Opal Knits DK Weight Sock Recipe for Magic Loop

Star Toe

FOR DK WEIGHT SOCKS

Rose Opal Knits

The Star Toe is created by alternating a decreasing round with one or more plain knitting rounds until the toe is almost completed. Near the end, every round is a decreasing round. The decreasing rounds have four evenly spaced decrease stitches.

Abbreviations
k - knit
st(s) - stitch(es)
rnd(s) - round(s)
k2tog - k 2 sts together

The toe decrease instructions are written by size.

Finishing the Toe

Cut the working yarn. Use a tapestry needle to pull the yarn tail through the remaining stitches and cinch closed by pulling the tail into the inside of the toe. Finish by weaving in the tail.
